

THEWHO

The Weekly Hand Out
New weekly handout about scouting for us who scout

02/17/2009

THEWHO is a weekly handout for scouts and scouters. We would like your information because it is important to us. If you have information about a scout or something in scouting or something that you just think is really neat. Please hand it on a piece of paper to a leader with the words THEWHO and we will do our best to get it on our next edition of THEWHO. You can also send your information to our

New website up and running

Troop224.us has a new look, it has new features and new links. The first feature that is up and running now is the new calendar. Yes, the calendar is completely available at the click of a button. Also available is an RSS feed for your desktop RSS reader. It keeps you up-to-date on any schedule changes. Take a look at the website and please feel free to let us know your ideas for the website.

NEW** Parents please be advised**

Tonight your scout was informed about an incident that occurred last Tuesday at scout meeting. The incident involved older scouts and was an altercation in which injury occurred for one of the scouts. Tonight your scout was informed that any fake fighting force play that could manifest into a real fight will not be tolerated. From this point forward we will have a zero tolerance for this kind of horseplay. If you have any questions or concerns please feel free to contact Dale, or any scout leader.

NEW** This spot would be filled if we got more information from leaders and scouts**

Don't forget e-mail us at thewho@troop224.us

Attention please all parents and scouts, please read!

The fair this year will be held a week later than is normal. Normally the fair is held the first week of August, not this year. This year the fair will be held the second week, the 11th through the 16th. Please disregard the information that came on your February calendar, it was wrong. A big thanks goes out to Cindy Hathaway for the heads up.

Just a note on summer camp...

This year we will be working hard to get scouts set up for their summer camp merit badges early. In the coming weeks we will be working with your scout so we can help him find the best path to optimize their summer camp experience. Summer camp is the best place to work and get merit badges to boost their drive toward Eagle.

THINGS WE NEED TO FOCUS ON, IN COMING WEEKS

Need scout information sheet updates for 2009

Need class 1 physical updates and *ideally scans of insurance id cards*

Start planning for class 2 and/or class 3 physicals before the summer season arrives.
